

Home Energy Americas, LLC

Your choice

Renewable Energy company in McKinney, Texas opens its doors for business and to contribute to the community.

Home Energy Americas, LLC (HEA) proudly announces its Grand Opening. We cordially invite you to join us at our new address. We are opening our doors to your family or organization with the goal of understanding the many choices renewable energy solutions have to offer.

View our Open House and Product Launch invitation on our website;

<http://www.homeenergyamericas.com/Open-House.html>

The event will be held on Friday, May 1st and Saturday, May 2nd from 9 a.m. to 4 p.m. We have energetically been preparing for this event and would like for you to participate in celebrating this milestone. The following is a list of key elements we have arranged:

- **Open House** – begin business operations from a new facility; demonstrating integrated renewable energy solutions; certification training conducted every month, and warehousing products for distribution. Refreshments will be provided.
- **Product Launch** – unveiling of our four core products with the **Energy Ball**® wind turbine as our flagship product, **Solar Power** PV panels, evacuated **Solar Heat** Tubes, and our **Bio-Heat Furnace**.
- **UL Certification** – obtained UL Certification of the wind turbine (Energy Ball® V100 and V200) inverter, authorizing connectivity to the public electrical grid system.
- **New address** – <http://www.homeenergyamericas.com/Inquiries.html> 1505 Mercury Circle Suite 100, McKinney, TX 75071 is the new location of HEA headquarters for the Western Hemisphere.
- **New Phone numbers** – office phone number is 972-548-1190 and the fax number is 972-548-2466.
- **New Distributors and Dealers** – contact information for the growing number of distributors and dealers. <http://www.homeenergyamericas.com/Distributors.html>
- **Open to the public** – the public and interested distributor / dealer / installers can schedule visits or business appointments.
- **Live Radio Broadcast** - David Yates's, Home Improvement Zone (570 radio) (2-5 PM Sat. May 2nd.) See website Open House invitation; <http://www.homeenergyamericas.com/Open-House.html>
- **New Website** – present an updated website on May 1st, 2009. Bookmark the website for the best quality and efficiency in renewable energy solutions. www.homeenergyamericas.com
- **Videos** – View the video of the Energy Ball V200 installed at our headquarters. <http://www.homeenergyamericas.com/Energy-Ball-Videos.html>

HEA will offer rewarding renewable energy business opportunities to organizations wishing to partner as distributors, dealers and OEM. HEA will establish alliances with other renewable energy companies with the goal of offering the finest in integrated renewable solutions that will benefit the customer, business partner, the community and its environment.

We thank you for your interest in our company and our renewable energy products.
